

JDownloader - Bug #1803

Sorting Bug

05/22/2010 09:24 PM - Think3r

Status: Closed	Start date: 05/22/2010
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version: 010 - Next Major Public Release 1.xxx	
Resolution: Fixed	
Description Sometimes columns get sorted from Z to A instead of A to Z. This bug affects the linkgrabber and the download list. Or could it be that the JD will always sort from Z to A, first? See here (German): http://board.jdownloader.org/showthread.php?t=17314
