

JDownloader - Feature #5215

[JD2Beta]Silent update check after JD is closed - add option to switch it off

06/14/2012 11:34 AM - editestowy

Status: Closed	Start date: 06/14/2012
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category: Controlling	Estimated time: 0.00 hour
Target version: 030 - Version > 2.xxx	
Resolution:	
Description Please add the option (advanced option?) to switch off the silent update check after JD is closed. Updater is called and it locks the disk (*.log files are open), so when the jD is started from external HDD it cannot be disconnected until this update is finished (2-3 minutes of waiting...)
