

JDownloader - Bug #6967

[JD2] force download on package = buggy

11/09/2012 08:21 PM - pspzockerscene

Status: Rejected	Start date: 11/09/2012
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: General	Estimated time: 0.00 hour
Target version: 030 - Version > 2.xxx	
Resolution: Wont Fix	
Description http://board.jdownloader.org/showthread.php?t=41914 1.Add a package with some links and use a hoster which only allows 1 simultan free download. 2.Rightclick on that package->Force download 3.A stopmark will be set on one of the links (here it was the 2nd link). -->Force download on a package should download the whole package and stop then (that's what i think).
