Target version:	020 - Next Release 2.0		
Resolution:			
Description			
http://board.jdownloader.org/showthread.php?t=54327			
1. Download a file like 50%, then stop it.			
2. Delete the incomplete .part file.			
3. Start the download again --> Once finished you'll have a broken file, CRC check will of course also fail!
