

JDownloader - Feature #1429

add filter to downloadview

03/10/2010 09:57 PM - jiaz

Status: Closed	Start date: 03/10/2010
Priority: Normal	Due date:
Assignee: jiaz	% Done: 100%
Category: GUI	Estimated time: 0.00 hour
Target version: 040 - FarfarAway	
Resolution: Fixed	
Description	
add a filter that will only show links matching xy, should be very easy to implement, just some changes to current table framework	
filter for: name, hoster, status? what else?
