#### Description

This was obviously a request to GET the remaining bytes in the file. However, it includes an Accept element in the HTTP header. This might work in HTTP 1.1, but the server in the farm that this was assigned to was HTTP 1.0

Also, the repeated problem of misreporting errors during Connect. This should have been displayed as Server Error (416).

```
GET /files/bd89c83e942592e517ea77b67e158cca/Byakuyako ep06 (1280x720 DivX511).avi.001 HTTP/1.1
Accept-Language: de, en-gb;q=0.9, en;q=0.8
