

JDownloader - Bug #2805

Windows directory names: Unicode is converted to code page at some point.

12/30/2010 08:49 AM - drbits

Status:	New	Start date:	12/30/2010
Priority:	Normal	Due date:

Target version:	040 - FarfarAway		
Resolution:			
Description			
The Unicode Characters that comprise paths and file names are apparently being converted to 8 bit names at some point in the processing. This can cause errors when opening files to save data.
