

JDownloader - Bug #86376

MyJDownloader: Add support for different login masks

12/12/2018 12:17 AM - pspzockerscene

Status: New	Start date: 12/12/2018

Resolution:	
Description Some hosts only require a password e.g. zevera.com / premiumize.me. Is there any way to manipulate the one myjd displays? It might be irritating for new users.
