| <p>We have many plugins without hasCaptcha and hasAutoCaptcha definitions. Plus I can see this been a pain to keep maintained by user reports alone. Also keep in mind that current frame work isn't flexible to take into account provider variants.</p> |                       |                        |            |
